Tuesday January 20, 2026 at 6:00PM, the Board of Directors will provide sandwiches, condiments, and beverages. Members are requested to contribute a favorite side dish, salad, chips, or dessert. Here's a chance to share one of your favorite dishes with neighbors. Please come and enjoy a good meal and fellowship with others of our community.

The January Board of Directors meeting starts at 7PM, followed by the annual membership meeting, and election of new board members.

We need to fill two Directors positions for the coming year. Please contact any current Officer to have your name placed in nomination. We would also like to encourage members to volunteer for a Committee position to help us with needed activities. Please consider offering your time to serve your community. We will also open the floor to suggestions and discussions, regarding any projects for the betterment of our community and residents.
